FINESTKIND IPA

Here at **Smuttynose**, we know exactly where we stand - with lungs full of fresh New England air, a faithful dog by our side, cold beer in hand. Hiking, fishing or simply hanging out in our favorite lawnchair, we are most at home in the great outdoors.

Finestkind IPA is our ode to life's simple pursuits, an enduring reminder to find balance in what we do and savor every moment, big or small. Brewed with ample heapings of Simcoe and Amarillo hops, it's bold in both flavor profile and aroma, offering distinct notes of citrus and pine and a satisfying bitter kick to top it all off.

Consider this your sidekick beer, up for whatever adventure today might bring. To us, there is nothing finer.
