

SMUTTYNOSE RASPBERRY LIME RICKEY SOUR

Our **Raspberry Lime Rickey Sour** is pure bliss in liquid form, a sour so deeply satisfying you'll be tempted to top it off with a tiny umbrella. (We're not stopping you.) Imagine the fizzy, tart and sweet characteristics that made the cocktail the mainstay it is today but artfully expressed in beer form, featuring a bright red hue that'll turn heads and a clean, citrusy flavor that'll keep you coming back for more.
