OLD BROWN DOG

AMERICAN BROWN ALE

Curled up with a good book or scanning the river for trout, there is simply nothing better than the companionship of a loyal, loving dog. We know from experience - our dogs come with us wherever we go (including to work at the brewery).

Taking this bond to heart, we first brewed our award-winning American Brown Ale, **Old Brown Dog** in 1998. Years later, it remains a stalwart example of the style, beloved across New England for its distinct and refreshing flavor. When the occasion calls for something big on flavor but without the hop punch, Old Brown Dog is an unbeatable choice.

Reliable and robust, playful and adventurous, it's the beer we reach for no matter where we're headed - just like our trusty pup.
