

# COSMIC VAPOR

## New England IPA

The newest offering from **Smuttlabs** is simply out of this world. If you've been searching the skies for the perfect New England IPA, then you're going to want to focus in on this one. With a celestial-hazy appearance and nebulous-soft mouthfeel, this beer will take your tastebuds on a rocket ride of hop flavors from tropical, fruity juicy hop notes to just a hint of malt sweetness. Cosmic Vapor NEIPA is one of those beers you're just going to want to probe over and over again.
