# SNACCIDENT

## Peanut Butter Chocolate Stout

Peanut butter and chocolate fans have united and demanded this delicious and, dare we say it, irresistible flavor combo. This stout has rich notes of peanut butter and chocolate, with a mild undertone of toasted coffee. **Snaccident** is dark brown, almost black, in color with a lavish and creamy mouth feel. The sweet flavor of the decadent malt is bolstered by the additions of peanut butter flavor, chocolate and the dangerously subtle hop flavor.

Snaccident finishes smooth, dry, and with a delicious roasted flavor.

You won't be able to have just one of these delicious beers, but don't worry – this will be one Snaccident you're okay with.
